Maria's Public School, Birkuchi, Bonda

Subject-Certification of Safety measures of school building campus at Bonda.

Madam,

We would like to state that ,all RCC buildings in the above mentioned Maria campus have been designed as per the latest IS Code of Practice for the structural safety. Adequate Staircases have been provided in all floors for easy vertical circulation and movement during emergency.

Adequate fire- fighting and fire detection equipment are installed as per norms . Wash rooms and amenities and playing areas have been adequately provided. The campus has entry and exit points from main road and are easily accessible and convenient for evacuation during emergency.

Thanking You,

Yours' Faithfully
